

If you're planning a new garden, or just want to grow what you've got, Greenfingers is the place to go. With the largest range of growing mixes and landscape supplies in Northland, we can help get your garden growing from the ground up. From peat to pots, paving to Ponga logs, compost to pine chip, our experienced and friendly staff offer the right advice, so you can choose the best product to suit your needs. Take it by the bag, load up your trailer, or stay at home and have it delivered in bulk. Greenfingers - we're here to get you growing.

BARK & MULCH

Landscape Bark

Retains moisture, excellent weed control and looks great. Grades 3, 4 & 5 available in bags, trailers or bulk.

Garden Mulch

Shredded bark, excellent moisture retention, weed control and claybreaker.

Cambium Bark

Stringy bark, ideal for steep banks and slopes. Very natural, looks great with natives.

Playground Bark

Specially produced for schools and kindergartens, to use under play equipment.

Pine Chip

Light coloured wood chip.

Post Peelings

Stringy wood slivers, good mulch especially for steep banks.

COMPOSTS, SOILS & POTTING MIXES

Topsoil

Screened and stored under cover.

Lawn Mix

A fine blended lawn topping with fertilisers added. Hire Roller available.

Garden Mix

A blend of compost and screened topsoil with added fertilisers. Excellent for raised gardens and for adding to flower beds and vege gardens.

Standard Potting Mix

Top quality, with 6 months slow release fertiliser and wetting agent. Ideal for the home gardener.

Economix

An economical growing media with slow release fertilisers. Ideal for container planting, especially large tubs.

Compost

Rich, black, weed-free nutritious compost, raises organic matter in soils, increasing worm numbers and soil micro-organisms.

Peat

Top quality, screened, Hauraki Plains peat.

Pumice

Assorted grades, screened for landscaping and horticultural use.

STONE, SHELL & PAVING

Omotu Stone

Grey and white riverstone all the way from the South Island. Available in 2 different sizes. Fantastic for gardens, pathways & rockeries.

Kaiaua Pebbles / Stones

Smooth grey stones, in 4 different size grades. Great for gardens, pathways & rockeries.

Hokey Pokey Stone

The name says it all. A colourful stone perfect for rockeries, pathways, gardens & pots. Available in 3 different size grades.

Finlay Stone

Multi coloured, earthy toned stone in a range of sizes. Great for rockeries and gardens.

Crushed Shell

White in colour for gardens and pathways, great for that coastal garden look.

Volcanic Rocks

A range of grades for rockwalls, rockeries, garden edges & borders.

Lime Chip

6-15mm and 30mm white lime chip, great for pathways, driveways & rock gardens.

Speciality Stones

A huge range of decorative & coloured stones from New Zealand and around the world.

Paving

We offer a large selection of assorted colours, textures and designs in various sizes.

METALS, SCORIA & SAND

Metals

A range of metals for driveways, drainage etc. Includes Gap 20 & 40, Sub 100 Blue/Brown, 40/16 Drainage, Graded Metal Chip 14/7, Builders Mix, Cement.

Scoria

Fines, 30mm and 65mm drainage scoria.

Washed Sand

Great for sandpits, paving & concrete needs.

Windblown Sand

Economical, ideal for under concrete slabs and water tanks etc.

LOGS, SLEEPERS & EDGING

Railway Sleepers & Landscape Timber

Hardwood, Pine and Macrocarpa - assorted sizes and grades available. Ideal for garden edging, steps, seats, retaining walls etc.

Ponga Logs

6 and 8 foot, awesome garden edging.

FERTILISERS

Blood & Bone, Rose, Citrus, Azalea, General Lawn, Dolomite, Lime, Gypsum, Wonder Nuggets, Nitrophoska Blue, Super Phosphate. Various sized bags.

Osmocote® Controlled Release Fertiliser

Available in assorted rates of slow release. Comes in 2kg and 25kg bags.

ALSO AVAILABLE

Weedmat & Windbreak

0.91m or 1.83m wide. Prevents weeds growing through landscaping materials. Available in pre-cut rolls or cut to length.

Firewood

In season, available in bags, trailers or delivered by the cubic metre.

Pots & Planters (Kioreroa Road only)

We have a huge selection of pots and garden ornaments in all shapes and sizes.

Greenfingers Bagged Product

A huge range of our product is available in various sized bags including compost, potting mix, seed raising and orchid mix.

Plus... Grass Seed, Planter Bags, Slug Bait, Insecticides & Fungicides, Stakes, Bamboo Canes and more...
